Ex. 6 PP / Ex. 7(C)

FYI, Attached is an IAR from US Ecologies Environmental Engineer.

Other attachments are and old OSHA report and EPA report regarding Reade Manufacturing in New Jersey.

Call next week to discuss.

Hope all is well. Wanted to let you know I have a case open US Ecology 1003-0106, that involves an entity in New Jersey.

In summary, US Ecology had an explosion, killing 1, injuring 8 others treating Hazardous Waste, - they are a TSDF. Blame has been placed on the Generator of the waste Reade Manufacturing Company from New Jersey.
